

MoU Signed Between IIIT Surat, Deakin University (Australia), and Prospectus International

IIIT Surat has entered into a tripartite Memorandum of Understanding (MoU) with Deakin University, Australia (GIFT City, Gandhinagar campus), and Prospectus International (PI), New Delhi. Signed on 26 June 2025, this MoU aims to foster academic and research collaboration between the participating institutions.

Under this partnership, PI will facilitate collaboration models that enable joint research, faculty exchanges, and student engagement between IIIT Surat and Deakin University. The agreement allows for up to two faculty members per year to participate in exchange visits and collaborative research initiatives. Additionally, the partnership paves the way for further academic programs, research projects, and institutional engagement in mutually agreed areas of interest.

This collaboration strengthens IIIT Surat's global academic network and underscores its commitment to fostering impactful, interdisciplinary, and international research.
