

## **Memorandum of Understanding (MoU) Signed Between IIIT Surat and Narnix Edge**

The Memorandum of Understanding (MoU) between the Indian Institute of Information Technology, Surat (IIIT Surat) and Narnix Edge Pvt. Ltd. establishes a collaborative framework for academic and industrial engagement. IIIT Surat, an Institute of National Importance under the Ministry of Education, specializes in IT, Electronics, and research. Narnix Edge, a deep-tech startup, focuses on sustainable digital transformation and disruptive technologies. The MoU, effective from 30 April 2025.

The primary objectives of the MoU are to foster academic and industrial interaction and create a formal platform for joint initiatives. Key areas of collaboration include student and engineer exchanges for internships and research, faculty and staff exchanges for academic engagement, and the sharing of research outputs and publications. Additionally, the parties will jointly organize conferences, workshops, and skill-based courses, update academic curricula with industry insights, and establish Centres of Excellence for futuristic technologies.

The signatories are Dr. Rajeev Shorey, Director of IIIT Surat, and Mr. N. Kishore Narang, Founder/CEO of Narnix Edge. The MoU underscores a commitment to mutual growth, innovation, and legal compliance, fostering a strong industry-academia partnership.
