

Memorandum of Understanding (MoU) Signed Between IIIT Surat and Sprih(Software Development)

Indian Institute of Information Technology (IIIT), Surat is pleased to announce the signing of a Memorandum of Understanding (MoU) with Sprih (Software Development), a pioneering climate tech startup.

This partnership aims to strengthen the synergy between academia and industry by fostering collaboration in areas such as research, skill development, curriculum enrichment, and co-development of training modules. Together, we aspire to create impactful opportunities for students, faculty, and professionals, driving innovation and societal progress.

This MoU represents a significant step forward in IIIT Surat's mission to bridge academia and industry, aligning education with real-world challenges and opportunities.
